NORTHSTAR COMMERCIAL SOLUTIONS

PT-010 — WashPro Warewashing Product Guide Rev.3

Document ID: PT-010

Revision: 3

Authority Class: MANUFACTURER_TECHNICAL

Status: Current

Purpose

Product-family guide for WashPro warewashing equipment. Product identity is aligned to Northstar Product Master canonical names.

Canonical Undercounter Models

• WashPro UW-320 (PRD-065) — active.

• WashPro UW-450 (PRD-062) — active.

• WashPro UW-380 (PRD-066) — phase-out / clearance.

Canonical Hood-Type Models

• WashPro HT-600 (PRD-063) — active.

• WashPro HT-800 (PRD-067) — active.

Canonical Glasswasher Models

• WashPro GW-280 (PRD-068) — active.

• WashPro GW-400 (PRD-064) — active.

• WashPro GW-330 (PRD-069) — discontinued / legacy.

Accessories and Consumables

• WashPro RK-500 Dish Rack (PRD-070).

• WashPro PR-20 Pre-Rinse Unit (PRD-071).

• WashPro Detergent 20L (PRD-072).

• WashPro Rinse Aid 20L (PRD-073).

Identity Rule

Legacy shorthand names such as UW50, UW70, HT100, HT140, GW40, or GW60 are not canonical product identities for this corpus. Runtime entity resolution should use Product Master names and product IDs.

Technical Boundary

This guide establishes family/product identity and broad product context. Exact installation utilities and clearances are governed by PT-011 and any applicable bulletin or more-specific technical notice.
